

CAN WE MAKE YOUR VISIT EASIER?

... putting people at the heart of everything we do ...

We want to make your visit to Ashford and St. Peter's Hospitals easier. Some things we can provide quickly, others may take time to arrange. Whatever your need – please ask for help.

We can provide interpreters for a variety of languages, information in larger print or Braille, plus audio and other formats.

Patient Contact Information for Skin Cancer

Dermatology Department

PATIENT INFORMATION

This leaflet has been produced by the Dermatology Department for Ashford and St Peter's Hospital (ASPH) patients who have been diagnosed with skin cancer. It provides a list of patient information leaflets outlining particular types of skin cancer and their management as well as the contact details of the doctors who may be involved in your care. We appreciate you may have further questions following your consultation and diagnosis.

Please ask your doctor for an information leaflet about your particular type of skin cancer if this has not been provided at your consultation.

It is our usual practice to discuss the further management of your skin cancer at a multidisciplinary team (MDT) meeting with other doctors. These meetings are held on a fortnightly and weekly basis locally at St Peter's Hospital or at a regional level at Royal Surrey County Hospital (RSCH) Guildford respectively.

Occasionally patients are referred on to The Royal Surrey County Hospital Guildford or St George's Hospital in Tooting, London for further treatment: this may include lymph node sampling, lymph node removal or radiotherapy. Some patients may also be referred on to other hospitals for a special surgical technique known as Moh's surgery.

We also offer patients the opportunity to be involved in national clinical trials.

FURTHER INFORMATION

If you have any queries regarding the contents of this leaflet please contact the Dermatology Department (St. Peter's Hospital) – telephone **01932 722748** or telephone **01784 884532** (Ashford Hospital).

Additional details about the two hospitals, including information regarding the Department caring for you can be found by logging on to our website www.ashfordstpeters.nhs.uk or the National NHS website www.nhs.uk which includes an A to Z guide to health.

Our staff endeavour to provide an excellent service but we do recognise that there are times when you may have concerns. In the first instance please raise these with the Senior Nurse or Manager in charge when you are at the hospital. If they are unable to resolve your query satisfactorily please contact our Patient Advice and Liaison Service (PALS) on **01932 723553** or e-mail www.pals@asph.nhs.uk

Having done this, if you remain concerned our Complaints Manager can be contacted on **01932 722612** or e-mail www.complaints@asph.nhs.uk
